Solo Seat

Replica Leather Solo Seats by Corbin-Gentry

Constructed using genuine drum dyed leather cover with a molded foam pad on an accurate steel formed and ribbed baseplate with riveted brackets as original type. Authentic style seams are accomplished by first riveting a leather strip to the seat pan, then form fitting the leather cover to the saddle and finally sewing the cover to the strip. All seats measure 16" X 16" and fit stock seat T's. Skirts are constructed of Neo Royalite or leather, as noted.

Rear Fender

Fat Bob Rear Fender Kit for FXR Models

A complete Fat Bob Rear Fender Kit for all FXR 82-86 and FXRT 87-92. The rebellious upswept kick of the chopper-style rear fender is combined with our smooth, chromed steel fender struts that not only improve styling but provide improved fender support over the original equipment parts. Accepts all of PCPI's taillight kits with Fat Bob mounts, or the stock (OEM 59993-80) taillight bracket. This kit and its components are not compatible with Original Equipment or aftermarket sissy bars.

6024 Unpainted fender kit

Note: These fender struts are not designed for the standard Original Equipment fender, nor will this fender mount correctly to the standard fender struts.

Chrome Rear FXR Fender Struts

Diecast as stock and then an excellent chromed finish.

57407 FXR 82-86 (not 83-91 FXRT, FXRP (59500/1-84)
